

## **Report for AGM 2020**

As we are all aware, 2019/2020 has been both a tough and yet interesting period for the Club House and for rugby.

We have some very exciting times ahead and, without doubt, I would like to say that socially and financially the Club House has the potential to be a thriving hub to help keep rugby alive in this Club.

I feel I must repeat my comments from last year that the Club membership needs to be more aware of the opportunities their Club House can offer them. We have great potential for function usage from conferencing, business presentations, team building days, wakes, birthday parties for all ages, anniversaries, Christmas parties and even just family gatherings.

Currently, 95% of our daytime hirings are from external sources and 75% of our evening hirings the same. To me this seems such a shame considering the outstanding quality of the product we are able to offer. Our pricings are competitive, and I can almost guarantee better than you will get elsewhere. Just like Waitrose, never knowingly undersold!!!

Hopefully, you will all have received your new membership cards and please be aware that these will be required to be shown to receive your discount and the future holds some exciting plans for the use of these so please keep an eye open.

It has been a pleasure to have now been at this Club for 4 years and I must take this opportunity to thank every member of the Club House Team for their great efforts in making SRFC a pleasure to work in but also, I hope, a pleasure to walk into for both members and guests.

Please remember this is your Club and we are here to help you get the maximum enjoyment out of it as possible so, if in doubt, ask a member of the Club House team and let's hope the answer will be yes.

I look forward to seeing you in the Club House soon.

Many thanks
