### DIRECTORS' REPORT FOR THE YEAR ENDED 30 APRIL 2021

The directors present their report and the financial statements for the year ended 30 April 2021.

#### Principal activity

The company is a trading subsidiary of Salisbury Rugby Football Club Limited.

#### Directors

The directors who served during the year were:

S J Allen (resigned 14 November 2020)  
R Bathurst  
R D Jugg (appointed 17 June 2020)  
R J Lloyd (resigned 17 June 2020)  
D J Mason  
C D Metson  
N C Rawson  
J L Yarwood (appointed 14 November 2020)

#### Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SALISBURY RFC (TRADING) LTD

DIRECTORS' REPORT (CONTINUED)  
FOR THE YEAR ENDED 30 APRIL 2021

**Small companies note**

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board on 12 July 2021 and signed on its behalf.

A handwritten signature in black ink, appearing to read 'N. Rawnsdon', written over a horizontal line.

N C Rawnsdon  
Director

## SALISBURY RFC (TRADING) LTD

### INDEPENDENT CHARTERED ACCOUNTANTS' REVIEW REPORT TO THE DIRECTORS OF SALISBURY RFC (TRADING) LTD FOR THE YEAR ENDED 30 APRIL 2021

We have reviewed the financial statements of Salisbury RFC (Trading) Ltd for the year ended 30 April 2021, which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and the notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

#### **Directors' Responsibility for the Financial Statements**

As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

#### **Accountants' Responsibility**

Our objective is to express a conclusion based on our review of the financial statements. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), 'Engagements to review historical financial statements' and ICAEW Technical Release TECH 09/13AAF 'Assurance review engagements on historical financial statements'. ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared, in all material respects, in accordance with United Kingdom Generally Accepted Accounting Practice. ISRE 2400 (Revised) also requires us to comply with the ICAEW Code of Ethics.

#### **Scope of the Assurance Review**

A review of the financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (UK). Accordingly, we do not express an audit opinion on these financial statements.

#### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- so as to give a true and fair view of the state of the Company's affairs as at 30 April 2021, and of its profit for the year then ended;
- in accordance with United Kingdom Generally Accepted Accounting Practice and
- in accordance with the requirements of the Companies Act 2006.

**SALISBURY RFC (TRADING) LTD**

**INDEPENDENT CHARTERED ACCOUNTANTS' REVIEW REPORT  
TO THE DIRECTORS OF SALISBURY RFC (TRADING) LTD (CONTINUED)  
FOR THE YEAR ENDED 30 APRIL 2021**

**Material uncertainty related to going concern**

We draw attention to note 2.2 in the financial statements, which indicates that as a result of the Covid-19 pandemic there have been significant restrictions on the Company and Parent Company to operate as they normally would. As stated in note 2.2, these events or conditions, along with the other matters as set forth in note 2.2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

**Use of our report**

This report is made solely to the Company's directors, as a body, in accordance with the terms of our engagement letter dated 22 June 2019. Our review work has been undertaken so that we might state to the Company's directors those matters that we have agreed to state to them in a reviewer's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's directors, as a body, for our review work, for this report or the conclusions we have formed.

## SALISBURY RFC (TRADING) LTD

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2021

#### 1. General information

Salisbury RFC (Trading) Ltd is a private company limited by share capital and is incorporated in England. Its registered office is Salisbury Rugby Football Club, Castle Road, Salisbury, Wiltshire, SP1 3SA. The financial statements are prepared in £ sterling, which is the functional currency of the company.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies.

The following principal accounting policies have been applied:

##### 2.2 Going concern

The financial statements are prepared on a going concern basis. There is currently a significant level of uncertainty affecting the global economy and in common with all rugby clubs, there was only limited opportunities for recreation rugby being played in the country and the bar and club facilities were closed for significant parts of the year. This is covered in more detail in Note 7. Despite the impact of the Covid-19 pandemic the board of directors consider that in the medium term recreational rugby will return and the club's facilities will reopen. Consequently the directors consider that it is reasonable to prepare the financial statements on a going concern basis.

## SALISBURY RFC (TRADING) LTD

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2021

#### 2. Accounting policies (continued)

##### 2.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

##### **Sale of goods**

Revenue from the sale of goods is recognised when all of the following conditions are satisfied:

- the Company has transferred the significant risks and rewards of ownership to the buyer;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the transaction; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

##### **Rendering of services**

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably.

##### 2.4 Government grants

Grants of a revenue nature are recognised in the Statement of Comprehensive Income in the same period as the related expenditure. The company has received Coronavirus Job Retention Scheme grants in the year, largely offsetting the costs of furloughed employees.

##### 2.5 Pensions

##### **Defined contribution pension plan**

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Company in independently administered funds.

## SALISBURY RFC (TRADING) LTD

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2021

#### 2. Accounting policies (continued)

##### 2.6 Stocks

Stocks are stated at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. Cost is based on the cost of purchase on a first in, first out basis. Work in progress and finished goods include labour and attributable overheads.

At each reporting date, stocks are assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in profit or loss.

##### 2.7 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

##### 2.8 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

##### 2.9 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

##### 2.10 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the Company would receive for the asset if it were to be sold at the reporting date.

##### 2.11 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

	<b>23,578</b>	<b>47,016</b>

## SALISBURY RFC (TRADING) LTD

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2021

#### 7. Covid-19 pandemic

A global pandemic is currently significantly impacting on the operations of the company. As part of the UK government response the country has been subject to multiple national lockdowns and social distancing measures were introduced. The company has been unable to trade for large periods of the financial year. . As a trading company operating for the benefit of its' parent company, Salisbury Rugby Football Club Limited the company itself has only a limited level of fixed costs but is currently unable to generate significant income.

The financial status of the company is fundamentally linked to the financial stability of its' parent company. The financial statements for the parent company are available at Companies House. Salisbury Rugby Football Club has operated for in excess of 100 years and in recent times the members of the club have fundraised in excess of £250,000 towards the redevelopment of the changing rooms at the club.

With limited opportunities for recreational rugby and trading operations closed, the board of directors have faced unprecedented challenges. These will continue in the future even after social distancing restrictions have been relaxed and it is likely to put significant financial pressures on the parent company. The company has benefited from financial support, using the Coronavirus Job Retention Scheme to largely cover the costs of furloughed employees and the parent company has also benefited from financial support, including the Rugby Union Winter Survival Fund and Wiltshire Council grants.

The directors have considered the financial position of both the parent company and Salisbury RFC (Trading) Limited. Although they anticipate a difficult period in the immediate future they believe that with the resumption of trading and the support and goodwill of longstanding members and suppliers the company will be able to continue operating for the foreseeable future. Consequently the directors believe it is appropriate to prepare the financial statements on a going concern basis.

#### 8. Pension commitments

The Company operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the Company in an independently administered fund. The pension cost charge represents contributions payable by the Company to the fund and amounted to £4,873 (2020: £3,361) . Contributions totaling £92 (2020: £182) were payable to the fund at the reporting date and are included in creditors.

#### 9. Controlling party

The company is a wholly owned subsidiary of Salisbury Rugby Football Club Limited, the company is not required to disclose transactions between the parent and subsidiary. The registered office of the parent company is Salisbury Rugby Football Club, Castle Road, Salisbury, Wiltshire, SP1 3SA. The parent and subsidiary form a small group and are not required to prepare consolidated financial statements. The financial statements of the parent company can be obtained by writing to the registered office.
