

Club Secretary – AGM report July 2022

First of all, I would like to say that I hope you and your families are all well at this moment in time.

Finally, after what seemed and inordinately long time we had a season of Rugby, and I think it was pretty successful right across the club from the Minis right up to the Seniors.

It was nice to see so many familiar faces on the touchline during the season showing that we remain one of the best supported clubs in the area and that is all down to you the membership.

Once again this year there has been a lot of work that has gone on behind the scenes not just by the board and Vince and his clubhouse team but also by volunteers and in particular the minis and junior coaches, who between them have to cope with 300 + children each week so a big well done to them. On the downside sadly this year we lost a number of long-standing members of the club and they will be sorely missed.

Looking forward to next season when we will be playing in the newly re-vamped Regional 2 South Central Division we can look forward to welcoming some old foes back to Castle Road such as Newbury and Reading as well as some new teams such as Shipston upon Stour. It certainly promises to be an interesting season as we pitch ourselves and our style of play against some of these teams.

I look forward to seeing many of you around the clubhouse and pitchside during the season and in the meantime please stay safe.
