Welcome to 2019/20 Season

As another new season begins, we all look forward to many opportunities to celebrate successes but realise there will be challenges along the way. Not least, the fulfilment of our many fixtures and all the lettings and events whilst we complete the building of our new changing rooms.

The 1st XV continuing in South West 1 (East), welcome a number of new players and coaches to the squad and 2nd, 3rd & 4th Men's teams continue in their D&W leagues. The Women's team step up their aspirations this season, entering the RFY NC3 League. Player availability is a significant factor in all our senior team's successes and the whole Club is committed to producing a positive culture across all the teams to encourage and sustain player engagement.

The Youth section is buoyant and with World Cup fixtures about to start in Japan we expect to be welcoming many new young players to the game. Last season saw a significant investment of time and funds into Youth Coach qualifications and we look forward to the children reaping the rewards of the high-quality coaching Salisbury RFC provides this season and beyond.

Walking Rugby continues to grow and has now established a committee to help with the arrangements of training and festivals. Having watched the July Festival, their sportsmanship and enthusiasm is to be applauded.

Project All Change, the redevelopment of our changing facilities has finally begun, following several seasons of fundraising efforts. Thanks to all those who have given so much time, effort, and funds to this project and we hope everyone who visits Salisbury RFC will be able to appreciate what has been achieved for the long-term benefit of the Club. The opportunity to 'Buy a Brick' which will be displayed on the front of the building for future generations, continues this season. Please show your support. Details are on the website and in the Club.

Finally I remind you of the many social events that take place at the Clubhouse, including a return of the Club Captain's Dinner this season. I look forward to seeing you at the Club to enjoy all the successes and challenges the season has to offer.

Nicola Rawnsdon
Hon Chairman

Salisbury Rugby Football Club

Vision

To be one of the top two rugby clubs in Dorset & Wiltshire measured by the end of season league position of the first team.

Mission Statement

The vision will be achieved by:

- Increasing the number and the quality of our players and coaches and enabling them to fulfil their potential at Senior, Colts, Junior and Mini levels
 - Improving membership numbers and the facilities at our club
- Encouraging members, non-members, volunteers and all stakeholders to support our teams, to help to create a winning attitude, and to raise funds
 - Creating a financially sound and sustainable business model for our club
- Raising the profile and reputation of our club within Wiltshire and the surrounding counties with a continuing professional marketing campaign
 - Developing throughout our club a culture that reflects the rugby union core values of teamwork, respect, enjoyment, discipline and sportsmanship

Salisbury RFC Core Values Code of Conduct

TEAMWORK-RESPECT-ENJOYMENT-DISCIPLINE-SPORTSMANSHIP

Salisbury RFC is committed to upholding these five Rugby Union core values and to promoting, communicating and embedding them throughout our club.

This Code of Conduct applies to all players, coaches, managers, employees, volunteers, parents and visitors, who will be expected to behave at all times according to these core value expectations:

TEAMWORK

Rugby is a team game and all players will do their best to win for the team without seeking personal glory. Players will always try to attend and be attentive at training and coaching sessions and to work hard for each other. Developing skills, getting fit, and practising together brings satisfaction, success and enjoyment.

RESPECT

Players will recognise and appreciate the efforts made by coaches, match officials, and administrators in providing them with the opportunity to play and enjoy rugby union in a safe and enjoyable environment. Similarly, players will always have the opportunity to discuss with coaches and managers if they consider they are being treated in an unacceptable manner.

ENJOYMENT

Our players play because they want to and they understand that rugby is for fun and friendships. They will applaud the opposition and the match officials at the end of the game and socialise with them afterwards.

DISCIPLINE

Verbal or physical abuse by players, opponents, coaches, officials, parents, or spectators is not acceptable. Our players and members will control emotions and behave according to the laws and the spirit of rugby union. In particular, players will accept all the match officials' decisions, even if they appear wrong.

SPORTSMANSHIP

We believe that everyone's involvement in rugby union should be safe and free from all forms of abuse. We will recognise good play by Salisbury and our opponents and we aim to win with dignity and lose with grace.

Juniors training Wednesday evenings.

Please check notice boards/website for change of days. **It is essential** that senior players inform the team secretary if they are unable to play after their selection.

The Club holds a limited insurance against serious injury on the field, **but all** players should take out their own accident policy.

When representing the Club, all players will be required to wear the specified Team kit and colours and no variation thereof.
