Our kick for goal: the All Change project

Richard Larcombe, Salisbury Rugby Football Club Chairman

"Our club has provided rugby in Salisbury and surrounding areas for over 100 years.

To ensure that we continue to improve what we offer our mini, junior, men and women, the next stage of our development is to build modern changing rooms. We're calling this the **All Change project**.

Our target is big, but achievable. We need to raise £300,000 - **we are almost there** - before May 2018!

This will allow our men's, newly formed women's, boys', and girls' teams to enjoy the facilities they deserve, and we require, to help our club continue to be **a centre of rugby excellence in Salisbury, Dorset and Wiltshire.**"
